

Homeless Students Policy

The Board of Directors (“Board”) of Baton Rouge College Preparatory Charter School (“Charter School”) recognizes its obligation to ensure that homeless students have access to the same educational programs and services provided to other Charter School students. The Board shall make reasonable efforts to identify children experiencing homelessness, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with the McKinney-Vento Act and other federal and state law regulations.

The Board may waive policies, procedures, and administrative regulations that create barriers for enrollment, attendance, transportation, and success in charter schools of homeless students, based on the recommendation of the School Director.
