

# Title I Annual Parent Meeting

2017-18

# WHAT IS THE EVERY STUDENT SUCCEEDS ACT?

The law's purposes are to ensure that all children in the United States receive a high quality education and to close the achievement gap that exists between children who typically perform well in school and those who do not.

# WHAT IS TITLE I?

- ☑ Nation's largest federal assistance program for schools
- ☑ Goal is to help every child get a high-quality education
- ☑ Involves parents by giving them information and choices about their child's education.

# TITLE I PROGRAMS

- Homeless
- Parent and Family Engagement
- Migrant
- Neglected or Delinquent
- Foster Care
- Schoolwide Programs
- FRAN Family Literacy Program

# HOW DOES TITLE I HELP CHILDREN?

- ☑ Identify students needing the most help
- ☑ Set goals for improvement
- ☑ Measure student progress
- ☑ Develop programs that add to the regular classroom instruction
- ☑ Involve parents in all aspects
- ☑ Provide additional teachers and tutors
- ☑ Provide for more training for teachers

# TEACHER QUALITY

- ☑ ESSA states that parents have the right to inquire about their children's teachers' qualifications
- ☑ School districts are required to notify the parents of any student taught by a teacher not state certified for more than four consecutive weeks

# SCHOOLWIDE PLANNING PARENT/STAKEHOLDER MEETINGS

- A schoolwide program uses Title I funds to enhance the educational program of the school in order to raise academic achievement for all students.
- Meetings are held to develop the plan, monitor its effectiveness, and make adjustments when needed
- All parents are invited and encouraged to attend meetings. Ask about times and dates.

# CURRICULUM

Curriculum is different from academic standards in that standards define what students are expected to learn in a particular subject and grade, and a curriculum defines how teachers will teach to ensure students learn the standards. (Louisiana Department of Education)

# Baton Rouge College Prep uses curriculum resources built on the Louisiana State Standards in ELA, Math, Social Studies, and Science.

## English Language Arts

- Teacher created curriculum aligned to LA state standards

## Mathematics

- Eureka Math

## Social Studies

- Louisiana curriculum scope and sequence

## Science

- Pearson Science

# ASSESSMENTS

Students in Kindergarten to 3rd grades are given screening assessments to determine students' readiness for Kindergarten and help identify which students are not learning what they need to meet grade level norms, and may need additional investigation to identify next steps for support.

Students in grades 3 through 8 take assessments in English Language Arts, mathematics, science, and social studies. These assessments are aligned to the Louisiana Student Standards.
